

EASY KINDLE COOKBOOK PROFITS

RESOURCE FILE

The links below are some products and videos which I found helpful.

(Some links below are my affiliate links. If you do use my link, I thank you for your support in advance.)

Ebook Creator Software – Creating and Formatting

Get it here: [Ultimate Ebook Creator](#)

If you are new to Kindle publishing, UltimateEbookCreator websites has some very detailed instructions on uploading the book to Kindle.

Public Domain Recipes

Most of the materials of these sites are in the public domain, which means that you can freely copy and reuse the information. However, you should not use the information as-is and publish as a Kindle book. You should always rewrite the recipes.

US Government sites – simply search for 'recipes' in the following sites.
