Introduction

There are lot of old methods and new methods developed from the Internet to make money online, which are more profitable in less time, Internet Marketing is the only way where you can make easy money without any academic degree or certification.

I have created a Noob friendly method that do not need any skills at all. Let me share my experience and efforts with you to make easy money even 10 years old kid can make money using this method.

I am making money from last 4 months continuously with Fiverr Gigs without doing anything.on Fiverr, **Shocked?** 😊

Basically I am doing business with Fiverr to resell Gigs that are hot on You must be thinking that Fiverr Gigs are just for \$5 and how can he get \$20, \$40 profit with one Gig sell? Well it's so simple with my reselling saucy trick and If you want to setup your own reselling business with Fiverr then you just need to follow this Ebook and start your kickass reselling career.

I recommend you to start with 10 Gigs, because ten Gigs will generate you more sales. Trust me it will take only 1 hour (one time) to setup. There is no sky rocket science needed to start Fiverr Flipping business, Even if you are not familiar with Fiverr and other things, That's not a problem at all, You will be learning each and everything that I did to earn money with reselling Fiverr Gigs.

As you know there are many ways to sell your services with Ad networks but it cost you lot of money and sometimes you did not get good ROI. But with my trick you don't need to spend a single penny.

I have only submit 10 Gigs and earning \$650/Week now. You can add more Gigs to make more What you need to do is follow my lead and start working with my . If you follow every steps on which I worked then no one can stop you to make money 😊

1.1- What is Fiverr?

Fiverr is a place where people can buy and sell micro services for only 5 dollars. The most famous jobs being sold (gigs) are "Logo Designing", "Graphic Design", "Article Writing", "Viral Videos" and "Backlinks". You can find online marketing experts, Graphic Designers, Web Developers Funky Advertisers and much more on fiverr.

Fiverr is the biggest marketplace in online world to make money, normally you can make \$5 for each sale on Fiverr, but with my strategy you can make \$15 to \$20 per Gig.

1.1- How to earn with Fiverr?

You can offer your service like:

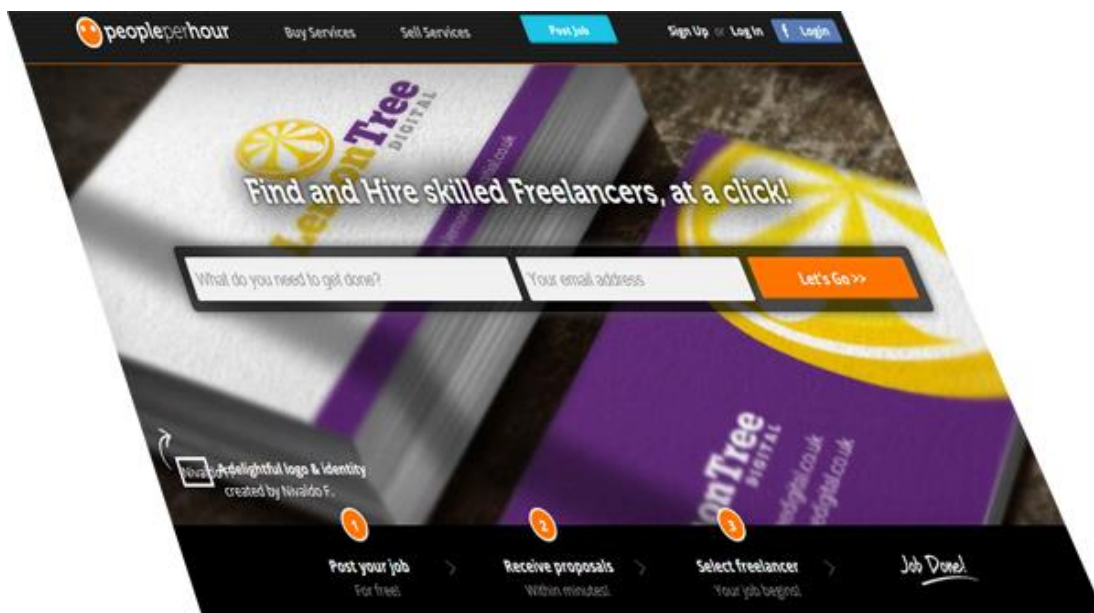

I will give you 500 twitter followers for \$5

I will give you 100 High PR backlinks for \$5

But it's really a pain to create a Gig and working for \$5, why dont setup a Fiverr Gig resell business and earn decent profit like I did?

Ok let me tell you the secrets

Basically there is a website called People per Hour, We need to post Hot Fiverr Gigs and resell it on People per Hour with some secret sauce.

Case Study and Needs?

2.1- What you need to do?

You just need to pick some hot Gigs from Fiverr and present it differently to make it look good and professional.

- You need Gig images, Hint: You can google them.

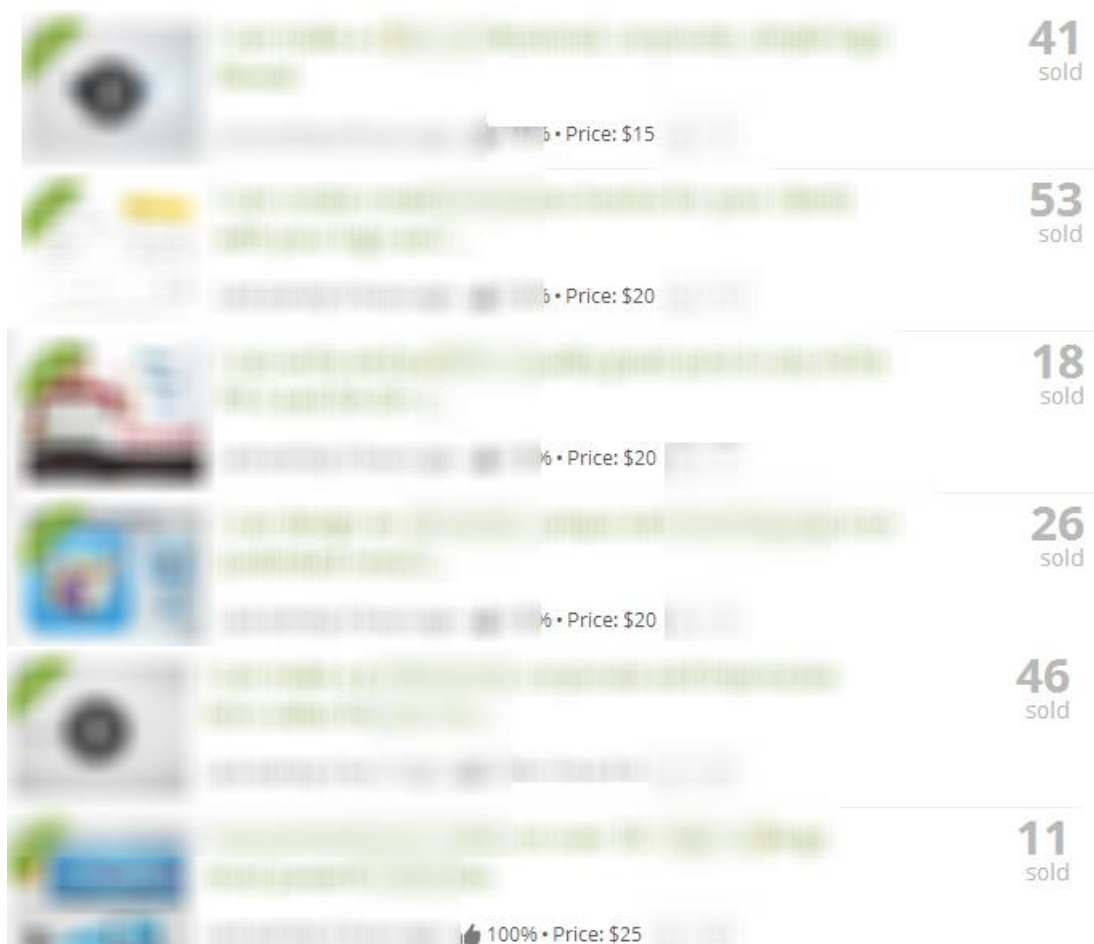

-
- Write some content or Spin it
 - Make a Video (If possible)

2.2- Case Study?

I have earned more than \$650/Week with the help of Fiverr Gigs, below are the couple of screen shots that are taken from People Per Hour

Follow steps

3.1- How to start your Gigs reselling Business

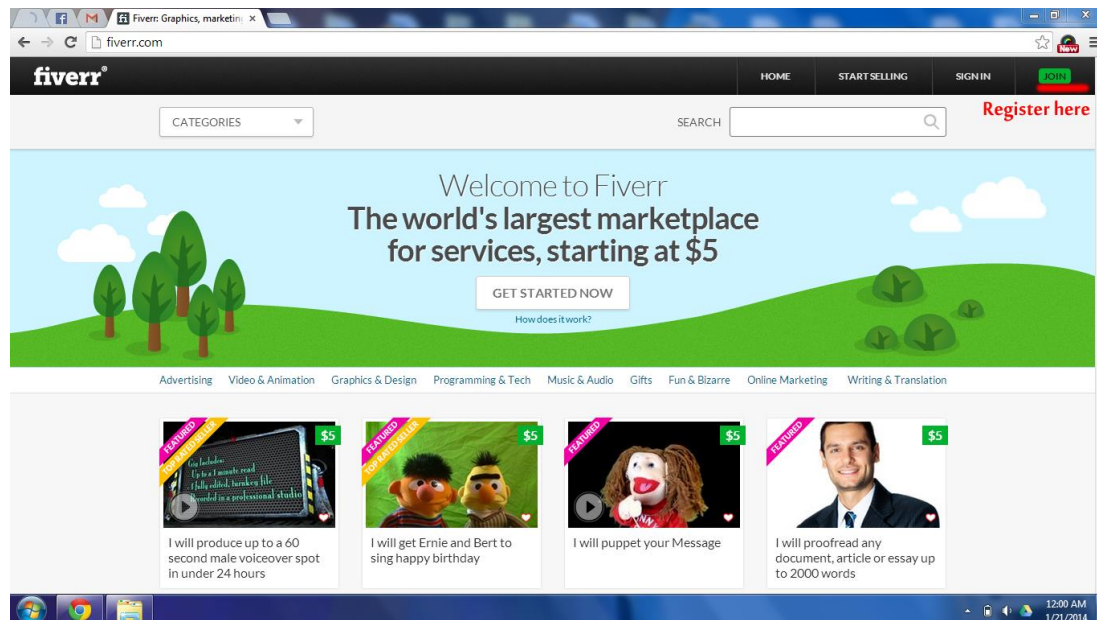

First you need to register with Fiverr and Peopleperhour and make sure you have Paypal or Payoneer to get payments.

It's not necessary to resell Fiverr Gigs, you can resell any service or product, you just need to make sure your Hourlie looks good.

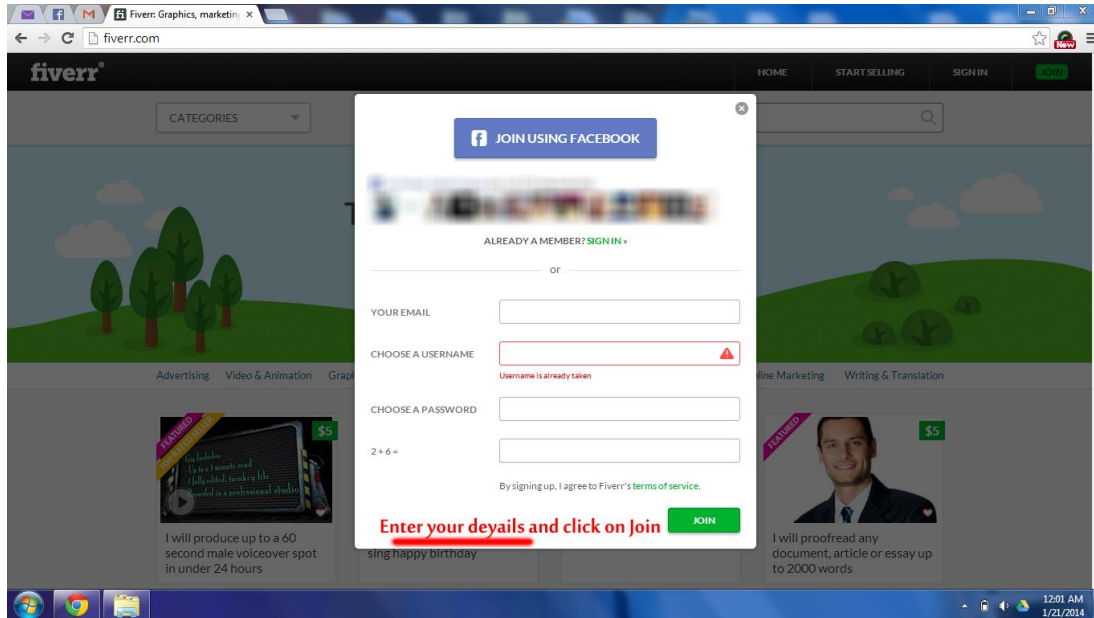

Follow below steps:

Register on Fiverr

Click on Join Now button

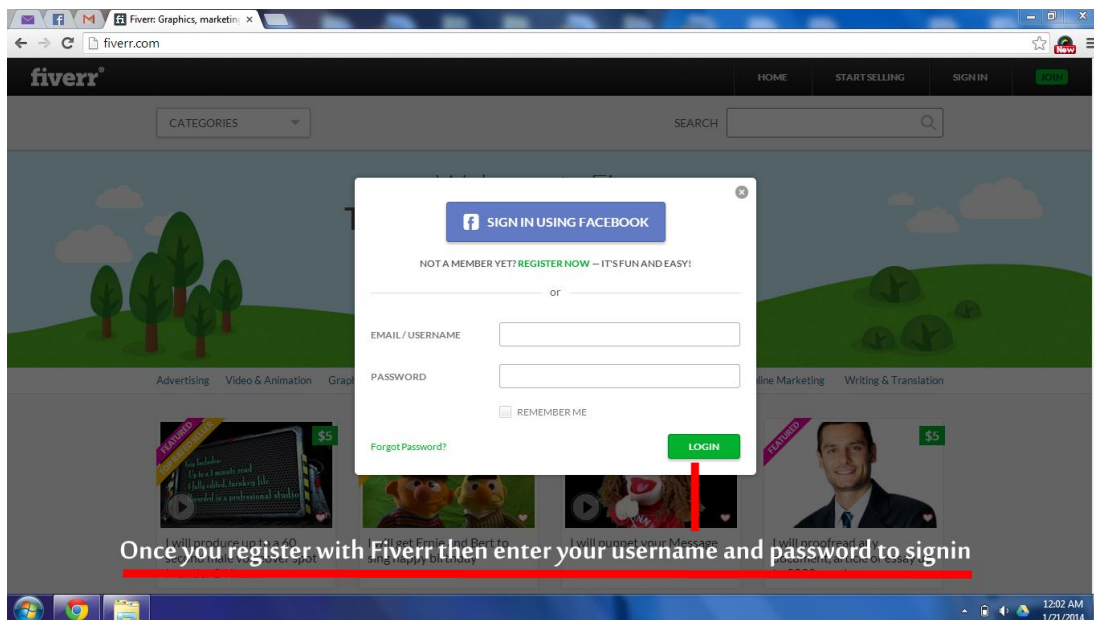

Enter your details and click Join Now button

The screenshot shows the Fiverr website's registration modal. At the top, there is a blue button labeled 'JOIN USING FACEBOOK'. Below it, a link says 'ALREADY A MEMBER? SIGN IN'. The form has two main sections: 'YOUR EMAIL' with a text input field, and 'CHOOSE A USERNAME' with a text input field that has a red error message 'Username is already taken' below it. Below the username field is a 'CHOOSE A PASSWORD' section with two text input fields for password and confirmation, with a small '2 + 6 =' test between them. At the bottom, there is a checkbox for 'REMEMBER ME' and a 'LOGIN' button. A red line underlines the text 'Enter your details and click on Join' and the 'JOIN' button.

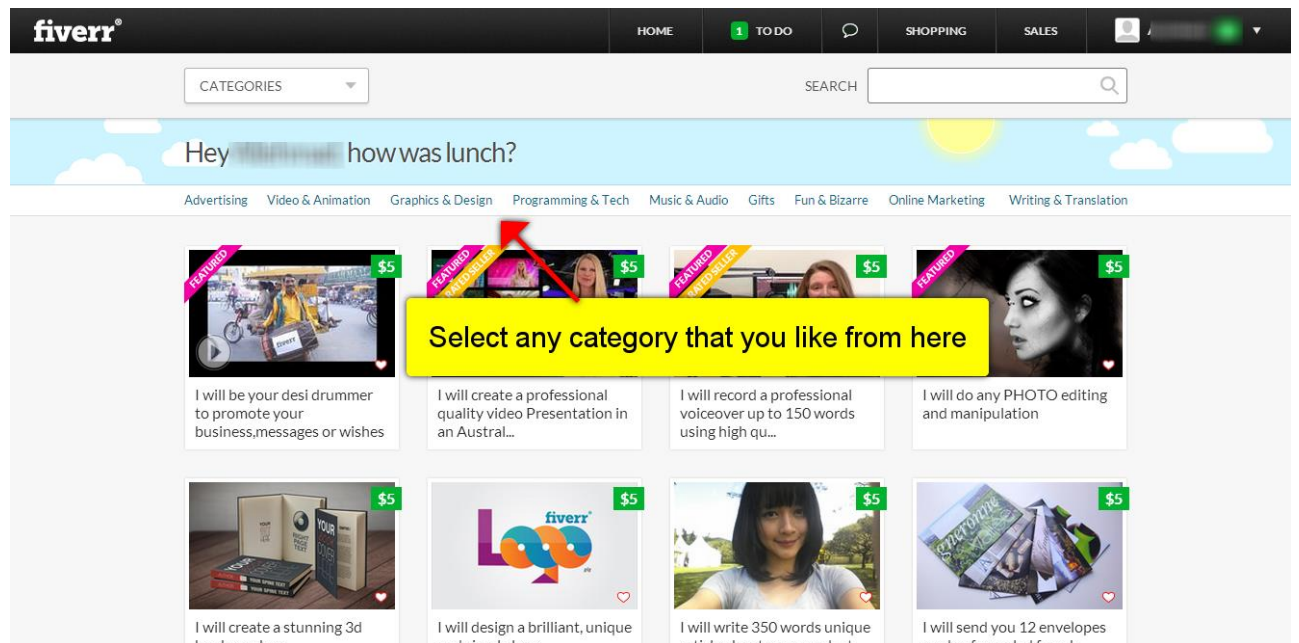

Once you register then simply enter your username and password and click login

The screenshot shows the Fiverr website's login modal. At the top, there is a blue button labeled 'SIGN IN USING FACEBOOK'. Below it, a link says 'NOT A MEMBER YET? REGISTER NOW - IT'S FUN AND EASY!'. The form has two main sections: 'EMAIL / USERNAME' with a text input field, and 'PASSWORD' with a text input field. Below the password field is a checkbox for 'REMEMBER ME' and a 'LOGIN' button. A red line underlines the text 'Once you register with Fiverr then enter your username and password to sign in' and the 'LOGIN' button.

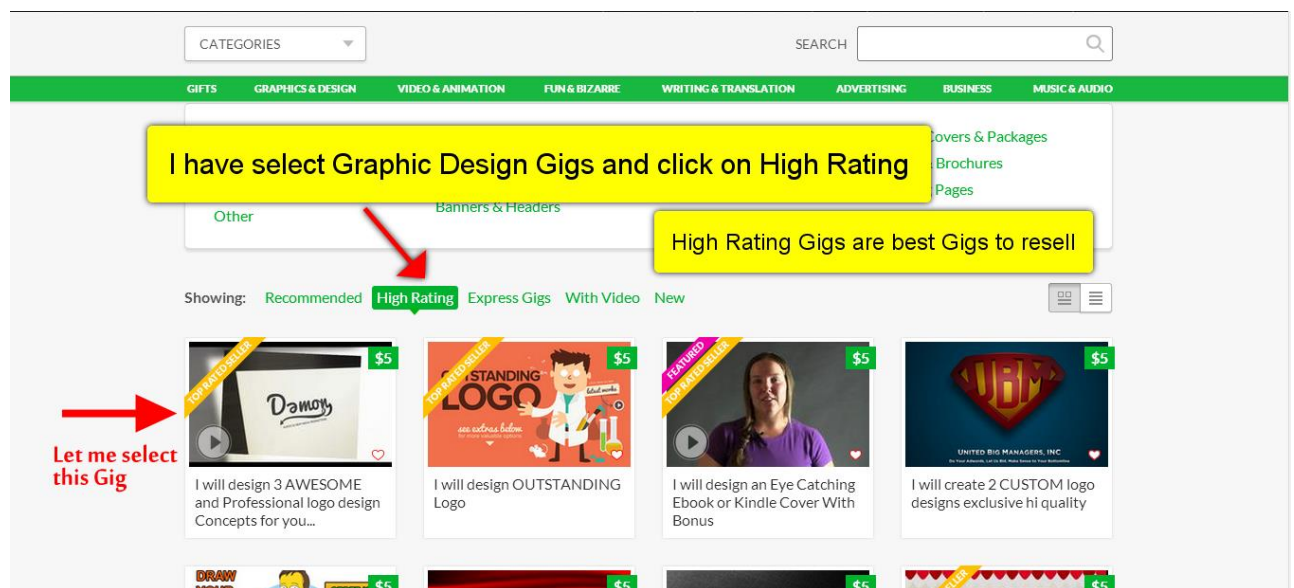

3.2 - How to select Gigs

After you login select any category that you like, I am selecting Graphics & Design.

Once you select your desired category click on **High Rating**, because we only need to resell high quality Gigs that are already Hot on Fiverr.

Let's select a Gig to resell

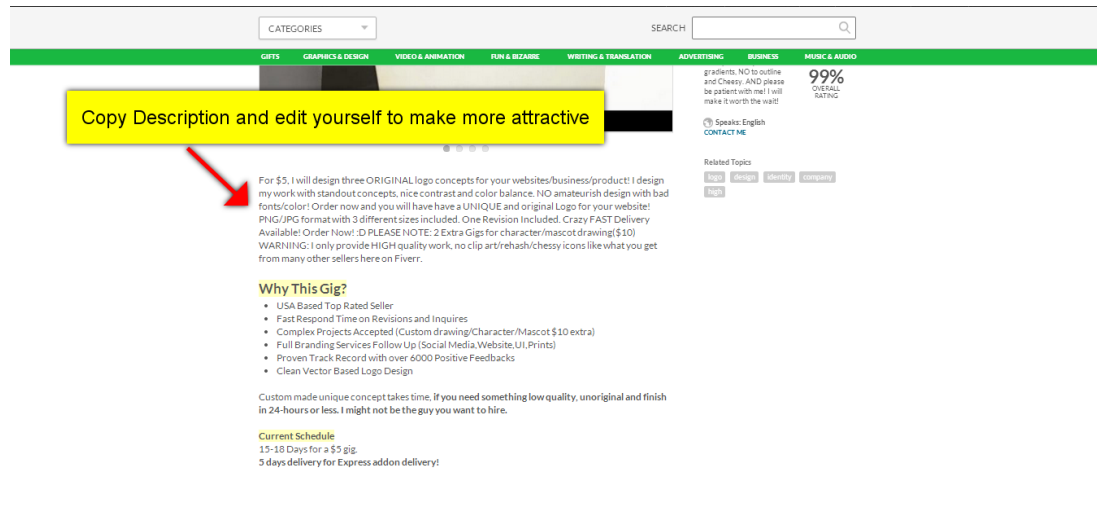

Just imagine! If you sell only one Gig daily then you can make \$450 with 5 minutes of work. COOL 😊

It's a top rated seller gig and hot on Fiverr, You just need to copy Title and description.

Its Awesome Gig to resell Just pick Title and Description and write in your words

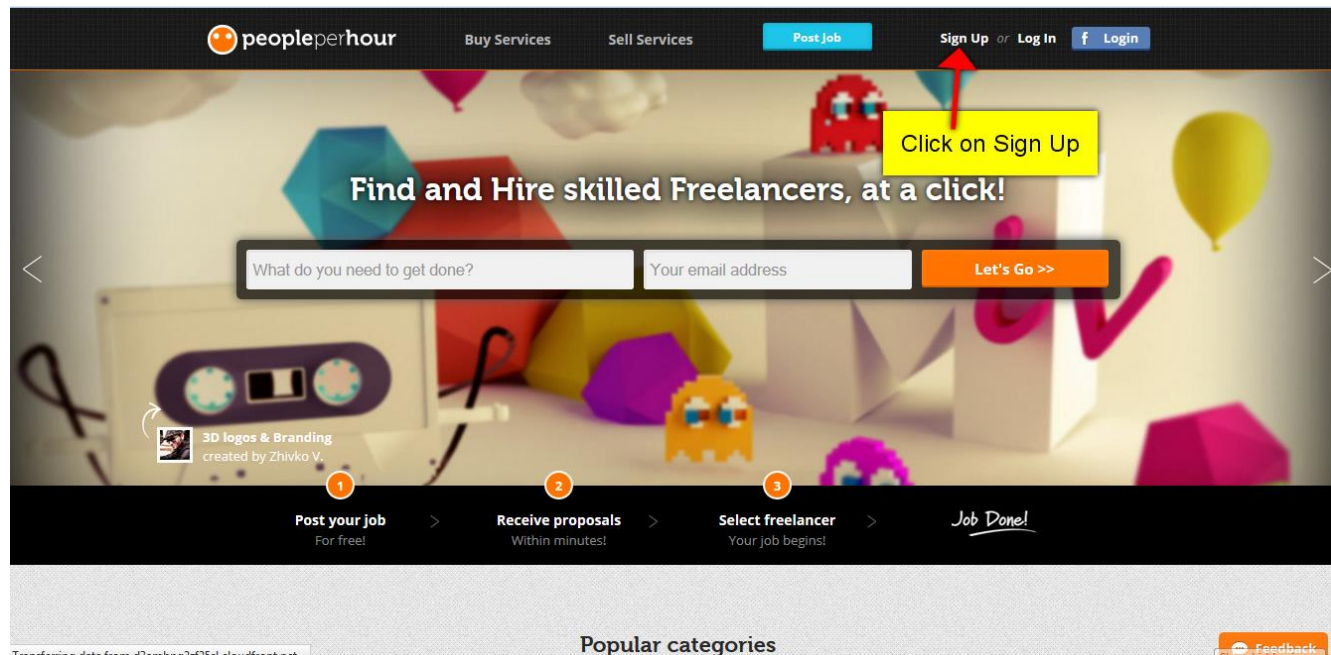

Copy Description, edit it, and make it look more perfect

3.2 - How to make profit with Fiverr Gigs

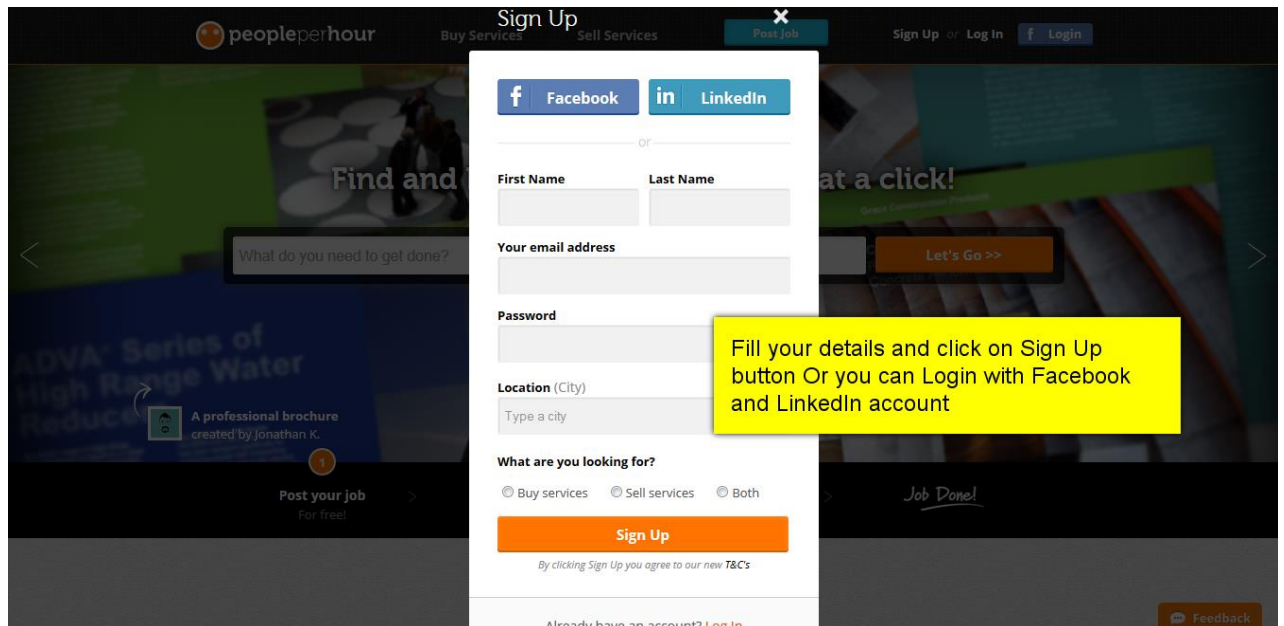

Open www.peopleperhour.com

Create an account with People Per Hour, Just click on Sign Up as mentioned below.

That's it! 😊

Make at least 10 Hourlies to make decent resell profit.

All you need to do is wait for that moment:

Tips and Tricks

4.1 - Tips to make more money

Always deliver more work to your buyer and respond message ASAP that you get in People Per Hour, also try to put Hourlie extra offers, that will make you more money, and last but not least don't forget to ask about review from buyer.

>>>> Video is the best thing to give intro about your product or services, these days no one has time to read lengthy text or explanations about product or services.

- Peoples love to watch Cartoon type animated videos
- According to the research 36% of online consumers trust video ads.
- 90% of users say that watching a video about a product is helpful in the decision process.

I recommend you to make a video for your Hourlie, or buy a Video creation Gig from Fiverr.

4.2 - How to automate all process

You need to hire a Graphics Designer to manage all your work, You just need to focus on People Per Hour and once you got an order forward the details

Repeat, repeat and repeat

Procedure:

1. Hire a freelancer from Odesk or Elance
2. Once you got any order from PPH then pay your freelancer to do the job with a little amount and enjoy your profit.

4.3 - More Offer

Once you completed your order, offer more related services to buyer,

For Example:

If you design a Logo for your buyer then offer him a Business card design, CD cover etc and charge more \$\$\$.
