Okay, let me reveal it for you.

Tip: Most of the people gives a good weightage to girls' profile. So create a ID with girl's name and complete all the details.

NOTE: You can work with as much accounts as much you can but do not spam with money making LINKS, otherwise group admin will remove you.

You can divert lots of traffic and make money with your affiliate links, Adsense, CPA and more.

First you've to pick your category. For example, Tattoos, Technology, Cars & Vehicles and most trending category. These days cricket groups are in trend. But you can choose another category too.

SELECT NICHE

You know your niche so choose the pick category according to it. If you don't have any niche yet then check <http://trendsmap.com> and <http://www.google.com/trends> and find something suitable.

There are three types of Groups in Facebook,

- **Public**
- **Closed**
- **Secret**

Well, you only need to join only closed groups, Because public groups has thousands of peoples but they are not following every posts due to spam. But closed groups work. People join closed groups for healthy discussions, So you shall go for Closed groups.

As our niche is Tattoo, here's the example of how can you search related groups.

Type this in Facebook search bar "Groups Named Tattoo". It will shows all group with named tattoo.

Check the screen shots.

FIND NICHE GROUPS

Join at least 5 groups daily and wait for them to approve you. Normally most of the groups will approve you within 24 hours,

NOTE: Post your link in 10 groups within 1 hour.

The screenshot shows a Facebook search for 'Tattoo'. The search results are filtered to show 'Groups'. The 'Tattoo Apprentice' group is highlighted with a red box. Red arrows point to the 'Closed Group' status and the '52,449 members' count. Other groups listed include 'Tattoo'd Inked Misfits', 'Tattooed and Single', and 'Tattoo Drop'.
