Thank you for jumping on this opportunity. You've made a wise decision.

I'm going to teach you how you can invest \$30- \$50 a month and get outstanding ROI using BuySellAds <https://buysellads.com>.

I'll walk you through the same campaign I ran last month. It made me almost \$280.

First, I signed up at the site BuySellAds.

When you go to BuySellAds you will be presented with a screen showing two options— Advertisers and Publishers.

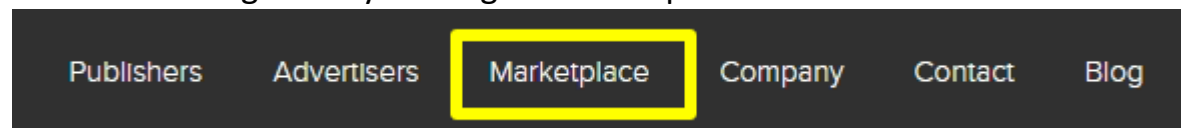

The screenshot shows a landing page for BuySellAds with two main sections. The left section is titled "For Advertisers" and describes guaranteed media buying of relevant audiences at scale, getting out of "black box" solutions, and knowing what you are buying. It includes a green "Get Started" button. The right section is titled "For Publishers" and describes selling more while maintaining total control and ownership of your inventory, monetizing quality content in context at scale. It includes a green "Learn more" button.

For Advertisers	For Publishers
Guaranteed media buying of relevant audiences at scale. Get out of the "black box" solutions and know what you are buying.	Sell more while maintaining total control and ownership of your inventory. Monetize quality content, in context, at scale.
It's easier than it sounds.	Built by publishers for publishers.
Get Started	Learn more

Click on Get Started under Advertisers.

Once you do that you will be presented with a lot of categories. You can also access the categories by clicking on Marketplace.

You will be presented with several categories. For this particular thing that we are doing I feel that the best categories would be Beauty, Health and Pets. There are a lot of products on sites like Clickbank which we can promote.

However, that doesn't mean that you need to limit yourself with these alone. If you find a good product, come back and search for a site here where you think you can sell it.

I decided to go with the Beauty and Fashion category at <https://buysellads.com/buy/beauty-fashion>.

And, these are the sites that were listed in there.

	Dornob 9.54M monthly Impressions		Trend Hunter 5.34M monthly Impressions
	The Fashionisto 3.00M monthly Impressions		Basenotes 2.25M monthly Impressions
	Everyday Carry 2.14M monthly Impressions		Leather Celebrities 1.14M monthly Impressions
	Bless this Stuff 1.01M monthly Impressions		RawrDenim.com 633k monthly Impressions

As you can see from the screenshot, the websites listed here are getting insane

amounts of traffic – and for just \$30- \$50 a month you can tap into 600,000+ impressions!

I chose [Leather Celebrities](#) for my test run.

Website				
Boxes in footer 300 x 250 Bottom Center	570,000 Est. Impressions	2 of 6 Available	\$80 Per 30 Days	▼ Buy Now
Boxes in sidebar 125 x 125 Middle Right	725,000 Est. Impressions	5 of 6 Available	\$50 Per 30 Days	▼ Buy Now
Small text ad in footer Text + Description Bottom Right	730,000 Est. Impressions	4 of 6 Available	\$10 Per 30 Days	▼ Buy Now
Small text ad in sidebar Text + Description Top Right	730,000 Est. Impressions	3 of 6 Available	\$10 Per 30 Days	▼ Buy Now
Box sidebar above the fold 300 x 250 Top Right ↳ PART OF FABULOUS FASHION BUNDLE	1,145,000 Est. Impressions	✓ Available	\$1.00 Per 1K Imps	▼ Buy Now

I paid \$60 to run a 300x250 banner for 30 days. (As you can see above, the price is now \$80.)

Now, since we're dealing with Beauty and Fashion, I figured it would be wise to find an affiliate product those appeals to women. The product need not be something that's in the Beauty and Fashion niche, but it needs to be something that would appeal to the audience.

Like you could buy a banner on a tech site and promote something called "Dating for geeks". I haven't tried that yet.

To take this a step further you can study the target demographic using sites like SimilarWeb or Alexa.

Now let's head back to [Leather Celebrities](http://www.leathercelebrities.com) on BuySellAds and click on the site <http://www.leathercelebrities.com>.

This is where our banner will display. You'll notice that a couple of other affiliates are also promoting this offer, so you might want to switch up your offer and choose another Beauty and Fashion site within BuySellAds.

But for now, let's follow <http://www.leathercelebrities.com>.

Rosie Huntington Whiteley was spotted at LAX Airport on Sunday, November 9 in Los Angeles. Rosie showed off her long legs as she donned green skinny leather pant.

She paired the pant with cream sweater and a grey

Bam! Do you see our offer there?

A problem that you may face while implementing this

One of the problems that you may face is that BuySellAds won't approve Clickbank urls. There are some offers to which direct linking isn't allowed.

But there's a smart workaround this problem.

Just go to <http://www.cbae.net/>

When you choose an offer and click on promote, you will get a pop-up similar to this;

The screenshot shows a web browser window with the address bar displaying "https://accounts.clickbank.com/info/jmap.htm?vendor=XDIABETES". The page title is "Affiliate Program: Promote Products for 'XDIABETES'". Below the title, there is a "Close" button. The main content area states: "You can earn 75.0% for each paying customer you refer to this product. For details please enter your account nickname and tracking ID (if you have one):". To the right of this text is a language dropdown menu set to "English". Below this, there are two input fields: "Account Nickname:" and "Tracking ID (Optional):". A red "CREATE" button is positioned below the "Tracking ID" field. At the bottom right of the page, there is a "CLOSE WINDOW" button and another "Close" button.

The vendor nickname is highlighted above. Enter both in Cbae.net and you will get a link that works with BuySellAds.

Next, you are going to download the banner from the affiliate page and submit it to BuySellAds, along with your affiliate link. That's it!

I got about 278 clicks in 30 days, and 6 sales. This made me just about \$212 +1 upsell =\$273

Why wait? Visit [BuySellAds](#) to check out some cool stuff. The site's been around for some time now, and can be very profitable for you if have the right offer.

I hope you've enjoy this report – and that you'll take action!
