

## Top 10 Solo Ad Sellers

Welcome! Glad to see you took advantage of this special offer. As you already know I am purchasing solo ads on a daily basis. At first I had to spend a lot of time (and money) finding solo ad sellers that get great results.

I can't even begin to tell you how many times I purchased a solo ad and the person either sent fake traffic or would only send traffic that is not interested in purchasing anything .

Even though there are a lot of solo ad sellers out there you can test, I tend to stick to these 10. Every time I order from them they provide me with great results, and I order from them so much they actually give me a discount.

Luckily, I was able to talk them into giving you guys the same discount, so by purchasing this OTO, you are actually saving yourself some money. After just one or two purchases this OTO will pay for itself :).

### How To Claim Your Discount

Claiming your discount is really easy. All you need to do is send them a message letting them know you are a customer of Bryan Harkins and are interested in purchasing a solo ad. They will then provide you with their discounted prices...simple as that!
