

niche site project

51 Profitable Keywords

Here are 51 keywords that you can use to start a niche website. The keywords are ideal for Amazon Affiliate websites, but feel free to use them for any purpose.

You can create a niche site from each of the 51 keywords.

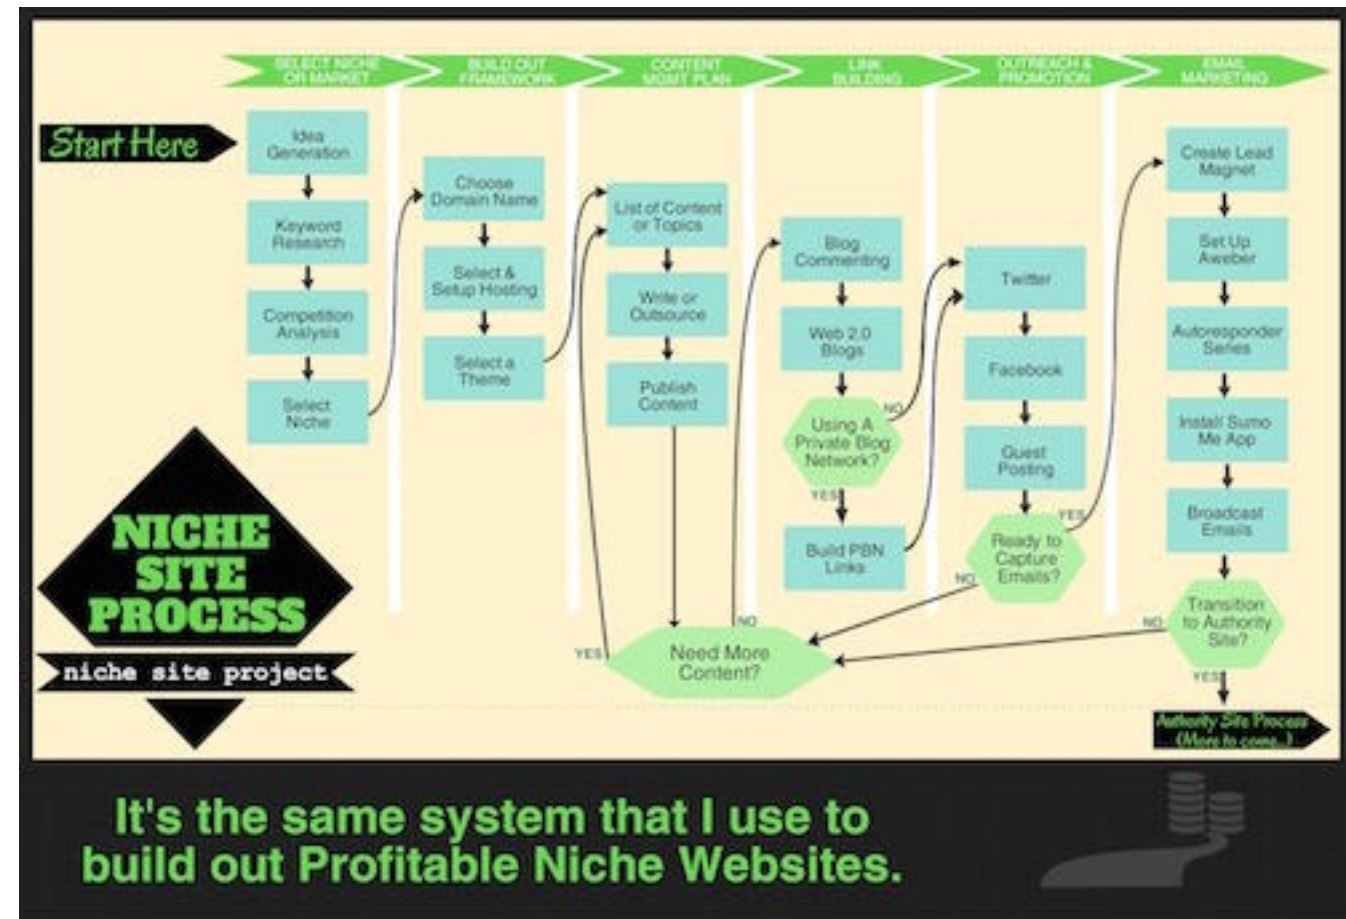

Amazing, right?

Keep the Big Picture in Mind

NICHE SITE PROCESS

1. Keywords are very important but they are just the beginning.
2. You need to understand where you are in the process.
3. The Niche Site Process Flowchart makes that easy.
4. If you don't know what to do with the keywords, then you should study the NSP Flowchart.
5. Follow the link to get more information, plus tons of free resources.
